## AMERICA, OUR COUNTRY

America, America!  
Thou art our hearts' desire.  
It matters not where we were born,  
All foreign ties have long been torn,  
America, America!  
For thee we go through fire.

America, America!  
Thou'rt weighted down with care.  
For freedom and for peace to fight  
Thou find'st us standing at thy side,  
America, America!  
Thy burdens we shall share.

America, America!  
Thy victory bring peace.  
Thy sacrifice of precious blood  
Shall stem the tide of hatred's flood,  
America, America!  
May strife forever cease.

—Ernest Troy.

## AFTER THE SLACKERS

Mason County Exemption Board Now  
Getting Evidence Against Those  
Who Failed to Register—First  
List Will Probably Be  
Posted Next Monday.

Mr. Sherman Arn, chairman of the  
Mason Exemption Board, was ex-  
tremely busy at the County Clerk's  
office yesterday getting evidence  
against those between the ages of 21  
and 31 who failed to register on June  
5. With the aid of school census rec-  
ords, registration books, marriage li-  
cense books and other records he has  
already discovered quite a few who  
are thought to be slackers. Most of  
these live in the county. After a  
thorough investigation of each case,  
if it is found that the party is within  
the proper age limit, he will be or-  
dered to report for examination and  
will take the place of some one re-  
jected at the top of the list. It is the  
duty of all loyal Americans at this  
time to report any cases where it  
appears that young men have sought  
to evade army service by failing to  
register.

While Mr. Arn was busy at the  
Courthouse the two other members of  
the Board were busy at the Govern-  
ment building finishing the lists of  
those who will have to report for ex-  
amination on the first call. The first  
list will probably be posted in the  
Government building on next Mon-  
day. This will be composed of the  
first eighty members drawn. At the  
same time the numbers are posted  
cards will be sent to the young men  
to report for examination within five  
days. Additional numbers will be  
posted and cards sent out every few  
days until Mason county's quota of  
120 has been filled.

It was the intention of the Ex-  
emption Board to post the numbers  
today but on account of the fact that  
no franked envelopes to be used in  
mailing the cards had been received  
it was thought best to await their ar-  
rival, so that the cards could be sent  
out at the same time the numbers  
were posted, thus doing justice to all.

## REIGN OF TERROR

Is Spread By Rioters Against Draft  
Law—Bands of Negroes, Indians  
and Tenant Farmers Partially  
Destroy Two Bridges,  
Severe Wire Com-  
munications.

Muskogee, Okla., August 3—Fight-  
ing between draft rioters and officers  
is going on twenty-five miles north of  
Ada, according to Under Sheriff Pur-  
vine, of Okmulgee county, who re-  
ceived a report from there late to-  
night.

Oklahoma City, Okla., August 3 —  
Bands of negroes, tenant farmers and  
Indians whose purpose to defeat the  
selective service law in Oklahoma, have  
spread a reign of terror through  
three counties in the central part of  
the state, partially destroyed two  
bridges, abandoned their crops, se-  
vered wire communication, planned  
raids on ranches and stores and  
threaten to burn all the bridges in the  
district, according to reports re-  
ceived by Governor Williams today.

The bands are organized into sev-  
eral bodies, the strongest of which is  
known as the Working Class Union,  
whose membership is said to number  
about 300. This organization is sup-  
plemented by I. W. W. agitators and a  
smaller group known as the "Jones  
Family."

Groups of men numbering probably  
four hundred in the aggregate, have  
armed themselves and were gathered  
in several places in South-Central  
Oklahoma today and tonight prepared  
to resist forcibly their selection as  
soldiers and the draft law.

William Townsend, chief of police  
of McAlester and Thad Conn, sheriff  
of Pittsburg county, are assembling  
all the rifles in that city, to take to  
Holdenville, on a special train to-  
night. A posse, formed on the ratio  
of one man to every two rifles, will  
leave on the same train.

A report received from Allen says  
that the palatial mansion of Governor  
Brown of the Seminoles has been set  
afire by the draft rioters.

The motto of the rioters is "This is  
a rich man's war. Let us fight to the  
death at home rather than be killed  
in the trenches."

## BRACKEN BAPTIST ASSOCIATION

Concludes Two Days' Session at Mt.  
Sterling—C. N. Bollinger of This  
City Elected Moderator—  
Meeting Next Year To Be  
Held at Glen Springs,  
Lewis County.

The annual session of the Bracken  
Association of Baptists of which the  
local church is a member, was held  
Wednesday and Thursday of this  
week with the First Baptist church  
of Mt. Sterling in their beautiful new  
church house.

Probably because of the fact that  
Mt. Sterling is quite a distance from  
the majority of the churches in the  
association, the attendance was not  
as good as usual, although the re-  
ports of the condition of the thirty  
Baptist churches in this section who  
comprise the association showed con-  
siderable progress during the past  
year with a net increase of more than  
150 members in the twelve months.

Mr. C. N. Bollinger, of this city,  
was honored by being elected Moder-  
ator of the body for the thirteenth  
consecutive year, while Prof. W. J.  
Caplinger was chosen clerk and Mr.  
John Owens, of Germantown, was re-  
elected treasurer.

The next session of the association  
will likely be held at Glen Springs  
Baptist College in Lewis county, how-  
ever, this was not definitely decided  
and was left in the hands of the Ex-  
ecutive Mission Board which will hold  
its next session in this city on the  
first Tuesday in September.

Contract \$12.50 for Jefferson Flour.

## GOOD CITY INVESTMENT

Editor Public Ledger:  
In the columns of your colleague  
the Public Ledger of Philadelphia,  
appears the following on a subject of  
vital interest to Maysville at this  
time, viz:

One of Philadelphia's most gifted  
and accurate writers — "Girard," —  
says:

"The two best and biggest things  
Philadelphia ever did for itself was  
to purchase Fairmont Park and to  
build its filtrationworks. One saves  
life by giving thousands good, fresh  
air. The other saves life by giving  
everybody clean water."

"A hundred millions couldn't buy  
our park. An equal amount couldn't  
buy from us our purified water, pro-  
vided we could get no other supply."

"Official figures show that last year  
only one person died of typhoid fever  
where exactly ten died of that dis-  
ease ten years ago. Keeping 1,100  
persons from the grave in a year be-  
sides preventing ten times that many  
cases of illness from typhoid is a big  
work. But even that is only part of  
the sequel to pure water."

Let every thinking citizen take  
notice.

Respectfully,  
JOHN BARBOUR.

## KENTUCKY WILL HAVE 118 MORE MEN AT SECOND TRAIN- ING CAMP

By the order of the War Depart-  
ment increasing the Officers' Re-  
serve Corps 30 per cent, Kentucky's  
quota for the second military train-  
ing camp to start August 27 at Ft.  
Benjamin Harrison will be increased  
113. The original quota was 377 and  
the increase brings the number to  
490 men.

Mr. Alex Marshall of Lewisburg has  
just finished harvesting his twenty-  
acre crop of wheat which yielded him  
forty-two bushel to the acre or a to-  
tal of eight hundred and forty bush-  
els. This is certainly an unusually  
big yield for this section of the coun-  
try. The quality is excellent.

Mr. F. P. Tully and son, Harry,  
of Lewis county, were visitors in the  
city yesterday.

Miss Bessie Martin of Forest ave-  
nue has returned home from a de-  
lightful visit at Winchester, Ky.

Miss Mary Robert Lloyd left yester-  
day afternoon for a several weeks'  
stay at Richmond, Va., and New York  
City.

Miss Ora Shelton of East Second  
street left last night for a visit to  
Mr. and Mrs. Earl Grigsby in Wash-  
ington City.

Mrs. Harry L. Walsh and daughter,  
Miss Elizabeth, have returned home  
from a pleasant visit with relatives at  
Ft. Thomas, Ky.

## WORK OF DISTRICT ATTORNEY PRAISED

A Covington item in yesterday's  
Cincinnati Enquirer says: "United  
States District Attorney Slattery re-  
ceived a letter yesterday from J. A.  
Tregoe, Secretary and Treasurer of  
the National Association of Credit  
Men, which complimented him upon  
his zeal in prosecuting a number of  
postoffice violations tried recently at  
Cattlettsburg, Ky."

## CASE DISMISSED

Walter Dresel was tried before  
County Judge W. H. Rice yesterday  
on a charge of seduction but was dis-  
missed on account of lack of sufficient  
evidence to prosecute.

There will be no church or Ep-  
worth League service at the Third  
Street M. E. Church tomorrow, the  
pastor and a number of the members  
being at Ruggles Campgrounds. Sun-  
day School will be held at 9:30  
o'clock as usual.

The lower sand bar on the Ohio  
side of the river has made its ap-  
pearance and it will be only a matter  
of a short time before many will be go-  
ing over daily to enjoy the splendid  
bathing facilities.

The officers of the Christian Church  
will have a meeting at 11:20 Sunday  
morning at the close of the morning  
church service.

## DEFIANCE OF DEMOCRACY

Some newspapers refer to the President's opposition to a committee on war expenditures as a defiance of the Senate. It is far more than that. It is a defiance of the right of the people, through their representatives, to know what is being done with the public money. It is an assertion of autocratic right which does not exist in the organic law or in the jurisprudence of the American republic. It is the setting up of a doctrine of lesser majesty which, it has been asserted, we have entered war to overthrow. It is a refusal to the people of the privilege to apply a remedy for inefficiency or worse when a remedy would be effective. It is a postponement of action until action will come too late. It is advocacy of a post mortem instead of a prophylactic. It is, in short, a summons to Congress to do battle for its rights or to surrender. And one thing is, to our mind, entirely certain: If this Congress refuses to maintain itself upon the impregnable ground which the creation of a war-expenditure committee provides, the people will replace it next year with a Congress more courageous.

## RESPONSIBILITY MISPLACED

Senator Vardaman, of Mississippi, is one Democrat who generally uses words that very accurately state the facts but he was somewhat misleading the other day when he spoke of the "prodigality with which public moneys are being expended by the Congress." Congress does not expend any money except the relatively small amount for the contingent expenses of the Senate and House. Congress appropriates "not exceeding" certain amounts which the executive departments expend under the direction of the President. These appropriations are made usually in accordance with estimates and recommendations made by the Departments and the President. Since the war began Congress has raised little question as to the reasonableness of the estimates. In any event, Congress does not compel the executive departments to spend all of the money appropriated. If there be extravagance, the responsibility rests entirely upon the men who alone have the power to spend the money.

## REASONABLE INTEREST NOW

Many of the problems arising out of the conduct of the war create no interest among the people of the country. The controversy over the relative merits of steel and wooden ships is given only a passing thought by most newspaper readers. Likewise, most people who wanted to forbid the use of grain in the manufacture of any kind of liquor are willing to yield to the desire of President Wilson that beer production be continued. But when it comes to a matter of inequality of census estimates which levy a larger toll of men from the North than from the South, and when Northern soldiers are all shipped into the enervating climate of the South for summer training, all people who have friends or relatives directly affected are bound to take a personal and active interest. And, as a consequence, all these people are likely to realize the importance of the creation of the proposed joint, bi-partisan congressional committee on the conduct of the war.

## SUPPRESSION DISCONTINUED

On Saturday, June 30, Mr. McAdoo suspended publication of the Daily Treasury Statement. On Saturday, July 21, the Senate by a majority of twenty-two, voted in favor of a joint Congressional committee to supervise the financial transactions involved in the conduct of the war. On Monday, July 23, Mr. McAdoo resumed publication of the Daily Treasury Statement. This collocation of dates and incidents may be wholly circumstantial; but it is certain that if such a committee had already been in existence the country would not have gone for three weeks without knowledge of the condition of the Treasury.

## NO DEFENSE FROM SOUTHERNERS

It is a noteworthy fact that when Senators Lodge, of Massachusetts, Brandegee, of Connecticut, and Pomerene, of Ohio, exposed the padding of census estimates in Northern states and minimizing of estimates in Southern states, by means of which the North will be compelled to furnish an undue proportion of soldiers, not a Southern Senator dared arise to defend the estimates. Perhaps in their opinion it is unpatriotic to ask for equality in time of war.

## NO ROOM FOR DOUBT

The New York Times, a paper close to the administration, says that "any injustice, if there is any, caused by overestimating the quota of any state will be corrected." Since all the overestimates were in Northern states and the underestimates in Southern states, why the doubt indicated by "if there is any?"

Switzerland reports that the convoy of our troop transports sank four of Germany's attacking submarines. Only the Germans are in a position to tell how many were sunk, but Switzerland touches and trades daily with Germany and has cars.

We shall not be a bit jealous if the magnificent beginning staged by King Albert of Belgium shall be eclipsed by a still more magnificent ending by some leader of the Russian Republic.

Perhaps if the British are successful in taking Lens, the shortage of coal in France and Belgium will be somewhat relieved, and increased in Germany.

The Kaiser says that our army is up in the air. Well we hope to have an army in the air by next spring and the Kaiser will know it when it gets there.

Germany is returning to France a part of the population that deported and enslaved—the part that is no longer capable of labor but must still eat.

Having changed his mind on every other subject, the President can be expected to change it on the question of equal suffrage. Then what next?

## GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. . . Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then . . . it would last . . . two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three . . . I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. . . Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

## BATTLE UNDER WATER; 1 DEAD

Bedford, Ky., August 1.—In a desperate under-water battle, fought in the Ohio River, near Carrollton, Ky., late yesterday, Albert Coffman was stabbed to death and his opponent, Richard Lacie, was clubbed on the head with a wrench, suffering severe injuries, when the men, locked in a death embrace, struggled for the mastery in water that was ten feet deep. The victor buoyed by the body of the dying man, according to his own story, succeeded in making his way to the shore. He surrendered to the Carrollton police. Tonight he was placed in the Bedford jail.

According to Lacie he and Coffman were crossing the river from Madison, Ind., to Carrollton in a motor-boat when an argument arose. A struggle ensued and the boat capsized.

Coffman's arms were about his neck, Lacie said, and blows were being rained on his head. Coffman having grabbed a wrench as the men tumbled into the water. As their feet touched bottom, Lacie said, he succeeded in drawing a knife from his pocket and stabbed Coffman repeatedly and until the latter released his hold from about his neck.

Neither of the men could swim. Coffman's body was not recovered.

## C. & O. FREIGHT OFFICE AT ASHLAND DAMAGED BY FIRE

Ashland, Ky., August 2.—The inside of the C. & O. freight office building, located on Fifteenth street between Front and Greenup, was badly damaged this afternoon by a fire which was discovered about twelve-thirty o'clock. Although the fire department had the blaze under control in less than half an hour it did much damage, especially on the second floor where the fire apparently started. The cause of the fire has not yet been ascertained. Many of the files and papers were carried out of the offices by men and boys, who also carried out the safe and much of the furniture.

The freight house in the rear of the offices was not damaged to a great extent.

The fire department was hindered in fighting the blaze by the extreme heat and heavy smoke. Three lines of hose were rapidly laid by the firemen under the direction of Chief Hensley, one from the Greenup plug, one from the Front street plug and one from the Winchester Avenue plug to which was attached the pumper which did fine work.

All our thoughts are original—either with ourselves or others.

## CROP CONDITIONS THROUGHOUT BROWN COUNTY MOST PROMISING, ALTHOUGH ACREAGE IS CURTAILED

(Georgetown (O.) News-Democrat) Crop conditions in Brown county are most encouraging at this time, and the harvest will be more than expected if the rainfall is sufficient the remainder of the season. Although corn in many sections is irregular—being planted at different times owing to wet weather—there is positive assurance of a bumper crop. The outlook at present for full acreage of tobacco, is not as promising as in past season, as most of the weed was set late, owing to a scarcity of plants at the proper time for transplanting. A glance at the Kentucky hills of the sections visible from the Ohio side, reveal many fields that the farmers were unable to get out, which have grown-up in weeds. Undoubtedly they would have planted corn, had they not expected rain and plants before it was too late for tobacco planting. However, with favorable weather and no early frosts, the late setting will come out, as tobacco is usually ready for housing about ninety days after planting.

The most promising fruit crop at present is the apple. In most places practically all the trees are laden with apples which are exceptionally large at this time. There is every chance for plenty of apples if no later damage comes. The greatest damage ahead seems to be the caterpillar. This insect is more noticeable this year than in many past. Not only are apple trees covered with the caterpillar's web, but all other fruit trees, also, mulberry, elm and sycamore. With the results of this insect's work eliminated, there is no doubt but what every orchard will make a good yield.

## PARTISAN LINES SWEPT ASIDE FOR FOOD BOARD

Albany, N. Y., August 2.—Theodore Roosevelt, James W. Wadsworth, of Livingston county, a Republican, and father of United States Senator Wadsworth, and Morgan J. O'Brien, of New York, Democratic vice president of the last constitutional convention, are named as the proposed state food commission in a bill introduced at a special session of the legislature tonight by the legislative war committee.

The measure, broad and sweeping in its provisions, is designed to supplement the federal food control bill and also to place restrictions on trade wholly within the state.

## EXEMPTION CLAIMS ARE RUNNING HEAVY IN N. Y.

New York, August 2.—Approximately 76 per cent of the men thus far examined by sixteen exemption boards indicate, however, that only a small percentage of the men will not enter exemption claims, although in a few districts nearly all the men passed by physicians today expressed their desire to be called to the colors.

One board, which accepted 50 men, announced that all of them claimed exemptions while in many other less than five per cent waived exemption.

## AMERICAN EFFICIENCY

Germany efficiency has been held up as a degree of excellence unattainable by a Democracy. The accomplishments of the United States since April 5th last refute the truth of the claim. In the short space of time that day the United States has accomplished the following:

Declared a state of war as existing between this country and Germany;  
Seized 91 German ships and begun repair work on them;  
Authorized unanimously a war fund of \$7,000,000,000;  
Appropriated \$600,000,000 for merchant shipping and as much for sea fleets;

Agreed to loan our Allies \$3,000,000,000 and advanced them a large proportion of that sum;  
Passed a selective draft law and in a single day registered nearly ten million men for military service;

Enlisted 600,000 volunteer soldiers in the Regular Army and in the National Guard of the States;

Sent a Commission to Russia to aid Democracy there and a body of railroad men to Russia and another to France to advise and assist in railroad transportation in those countries;

Begun the construction of 32 camps for our soldiers;

Sent to England a fleet of destroyers and to France a detachment of troops;

Authorized and now enforcing embargo whereby our enemies will receive no more food or material from us;

Passed a food conservation law;  
Organized many voluntary commissions and boards who are aiding the Government and the people in the speeding up of work, conservation of food, and other national movements;  
Drafted by lot 687,000 men for military service;

While the Government was accomplishing these things the American people have loaned the United States \$2,000,000,000 and offered \$1,000,000,000 more, over four million citizens subscribing to the loan.

In addition they have given over \$100,000,000 to the American Red Cross and \$3,000,000 to the Young Men's Christian Association.

All these things were accomplished while our soil was not invaded or even threatened with invasion and without any disturbance of business conditions. All was done with the calm determination and judgment of an earnest, patriotic people performing a service for civilization and mankind and maintaining the rights, the dignity, and the honor of the greatest nation in the world.

he German leaders deided America's entry into the war as a bluff. This is our answer.

The German Imperial Government was nearly fifty years in perfecting its military efficiency. In less than four months the American Republic has made such strides as to indicate that in less than two years' time the boasted superiority of German efficiency will have been discredited. There is such a thing as American efficiency, and time will prove that German efficiency can not withstand it, fighting as it is for liberty, justice and humanity.

Amsterdam, August 2.—The frontier correspondent of the Haneleblad, reports that the vegetable crop in Germany is a great disappointment. A hurricane on Sunday last, did great damage in the whole of western Germany, he says. Many buildings were destroyed, thousands of trees uprooted, field and garden produce everywhere suffered enormously, cereal crops were beaten down and destroyed, and fruit trees were beaten down and torn up.

## URIC ACID IN YOUR FOOD

Maysville People Must Learn the Danger of a Heavy Meat Diet.

Even dogs can eat too much meat. Certainly, many people "dig their graves with their teeth."

Few get enough exercise to justify meat more than once a day.

Meat brings uric acid.

The kidneys try hard to get rid of that poison.

But often a backache or some other unusual ill

Will show that the kidneys need help.

The time-tried remedy, then, is Doan's Kidney Pills.

The remedy backed by Maysville testimony.

Read this case.

Mrs. W. A. Schatzmann, 605 E. Second street, Maysville, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at Chanslor's Drug Store, I have every reason to recommend them. Whenever my kidneys have been irregular in action or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure and attack."

Mrs. Schatzmann is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Schatzmann uses—the remedy backed by home testimony. 50c all stores. ## SPY SUSPECT HELD TO U. S. GRAND JURY

Lexington, Ky., August 1—George Majors, alleged German spy, who was arrested at Paris and brought to the Lexington jail for safe-keeping, following an attempt to escape from the Paris jail, was held to the Federal Grand Jury today after a preliminary examination before United States Commissioner S. S. Yantis. His bond was fixed at \$1,000 which he was unable to give. The technical charge against him is impersonating a United States soldier, he having been uniformed as an infantryman when arrested.

Majors told of his meeting with the so-called Capt. Cutts, for whom he was working, and claimed that he had formerly lived in Harrison County, this State. He said he was rejected for enlistment at Fort Thomas. He said he signed some papers furnished by the Captain and that they went to Newport News, Va., whence they sailed for Porto Rico. He said they came back from Porto Rico, went to Covington and then went north, returning to Frankfort, where they established headquarters.

May Holland, of Frankfort, said Majors visited her several times in June and July, and that he told her he was acting as an orderly sergeant to an army Captain.

## CONFERENCE OF WAR LORDS CALLED BY GERMAN EMPEROR

Amsterdam, August 2 — Emperor William has called a War Council of the high military and naval leaders in Germany to meet at Brussels, Belgium, today. Field Marshal von Hindenberg, chief of the Imperial General Staff; Gen. von Ludendorff, the Quartermaster General; the German Crown Prince, commander of the German forces in the Champagne; Crown Prince Rupprecht, of Bavaria, in command of the Belgian front; Grand Duke Albrecht, of Wurttemberg and Vice Admiral Eduard von Capelle, Minister of the Imperial Navy, and others will be present.

In view of this announcement it seems not improbable that the German high command is impressed by the force of the Flanders drive of the Allies and is considering what further measures can be taken to meet it.

Competitors have circulated a report that the Ford has advanced \$100.00. This is emphatically untrue and is done merely to help them sell an inferior car for more money. However, I am expecting every day to receive notice to advance the price. All orders are being taken with the privilege of cancellation if price advances. The company has notified me to mail all orders the same day they are placed. It is my opinion that all orders will be filled at present prices if orders are placed at once, but you should not delay the matter a single day. Place your order today and play "safety first."

## The Officer's Dignity is Expressed in His Uniform

That quality which the whole world has learned to admire in the American Army Officer, is eloquently expressed in the care and skill with which uniforms are tailored by THE HOUSE OF KUPPENHEIMER. They are made to U. S. Government specifications, but made with a hair's breadth precision that commonplace tailoring doesn't know. It takes thorough training to execute them as these are executed.

We are ready to fit you, Sir, with care and exactness and quality. In Government Standard 12 oz. O. D. Serge Coat and Mounted Breeches \$35. In Government Standard Cotton Khaki Coat and Mounted Breeches...\$18.

## ELECTRIC LIGHTING SYSTEM

May Be Installed at Ruggles Campgrounds Before Next Year's Meetings—Other Interesting Notes From Historic Old Grounds.

Ruggles Campgrounds, August 2 — The first item of interest to the camp today was the taking of the census. Revs. A. W. Insko and John Cross and Prof. C. S. Dale and the writer, did the work. The result shows an increase over any former year. The total number camped this year is 461 as compared with 450 last year which was considered a banner year. The campers this year hail from seven different states, namely, Kentucky, Ohio, Indiana, Illinois, Oklahoma, Pennsylvania and West Virginia. Fifty-eight different postoffices are represented. The Methodists lead the other denominations by a large margin. They number 225. The Disciples come next with 73. Other denominations as follows: Baptists, 19; Presbyterians, 4; Episcopal, 1; Newlights, 1; United Brethren, 1. 144 do not claim any church. They are mostly children, still there are many older persons who are not Christians. And how they can attend the services and hear such preaching and singing of the gospel message without being constrained to be followers of the Christ is more than we can understand. It is quite an interesting job to take the census. One has to do a job like that to really see the wide-spread influence of this campmeeting. People come a few hundred of miles to camp here. And this habit is growing with the years. While campmeetings in many places are on the wane, Old Ruggles gets better every year. We believe this is because of the manner it is conducted.

The annual memorial service was held this morning. Many visitors were present. Dr. Jolly was chosen to deliver the address. And there isn't a preacher in Kentucky that can surpass him on a like occasion. His message was full of comfort and consolation to those who have lost loved ones during the year; and it was a strong appeal for all to live such lives that they may gain the "mansions above prepared for you." Three ministers, whose voices have been heard in other years, have passed away during the year, Rev. W. H. Childers, of Richmond, Ind.; Rev. W. H. Reese of Tacoma, Washington; and Rev. J. B. McClay of Martins Ferry, Ohio. Two men who in other years served as faithful members of the Board of Directors are in the list of the deceased, Miles A. Wallingford and John Crane.

Other former campers who have answered the final summons during the year are John D. Muse, Mrs. J. Ed. Karrett, Mrs. Hecuba Sedden, Mrs. H. C. Northcutt, Mrs. T. H. Thomas, Mrs. Belle Walker, Edward Thompson, Dr. William T. Burdick, Miss Minta Hardyman, Mrs. Winona Grigsby, Mrs. Laura Applegate, Mrs. Laura McKelup and Martha Traxel. During the service the male quartet sang the "Glory Song" and Rev. Ragan sang a very beautiful solo about the Heavenly Country. The Holy Communion of our Lord's Supper was administered at the close of the service to a large number of communicants.

Rev. J. M. Lital led the young people's meeting, giving them a good sermonette on "Dreams."

Rev. W. H. Davenport preached at the evening service. Large crowds continue to attend all these services.

Revs. A. P. Smith of West Union, Ohio, and N. H. Young of Corbin, Ky., arrived today, bringing the number of ministers so far to twenty-six.

The Board of Directors met this morning and organized by the election of the following officers: President, I. M. Lane; Secretary, Rev. S. K. Hunt; Treasurer, J. H. Richardson. The Board will take up soon the work of improvements for the next year. Another meeting will be held Monday morning.

Mr. G. H. Dickson of the Bridgeport neighborhood is the champion cabbage raiser of this section. He is supplying our hotel with some of the largest heads we have seen in many a day. He had one today weighing eight pounds and claims to have some weighing eleven pounds. My! If he could have had such cabbage for the market about last February there would have been some money in it for him. The hotel man took us into his supply department to show us some of the things stowed away for the boarders. Such hams and other things makes one hungry. Those who board this year are faring well. One of the hotel men is also looking after the baggage room and he assures us that he is well prepared for the big crowd that will be here next Sunday. Ben Yates, the expert "shine" will be on hand to "shine 'em up."

Mrs. C. W. Henderson and son, Alex, of Flemingsburg, spent the day in camp as a guest of Dr. J. B. O'Bannon and family. Mrs. Henderson is a member of the Flemingsburg High School faculty.

Mrs. R. P. Moody arrived today from Maysville to spend a few days with friends.

Several auto loads of preachers put in the afternoon at Kirk Springs. Several of our preachers have their own autos and some expert chauffeurs are in the bunch.

During his visit to the campgrounds yesterday Mr. J. Albert Hill made a survey of the grounds of making an estimate on the cost of installing an electric light system. This would certainly be a move in the right direction, with electric lights Ruggles Campgrounds would be a very fairland at night. We are hoping the finance will show up well enough and the estimate low enough for the plant to be put in soon.

We are all ready to extend a big vote of thanks to the weather man. This day has been delightful, and getting better all the time. Now if we could just have a little shower before Sunday nothing better could be asked in the way of weather.

Miss Emma Debold arrived this afternoon and will spend several days at the Brod cottage.

Word has just been received Rev. L. L. Pickett the noted preacher and lecturer that he will be here to speak Sunday afternoon. He was here for this service last year and the largest crowd that ever assembled under the tabernacle was there to hear him. He is a cyclone, hurricane and tornado all put together as an orator. If you have never heard Pickett be sure to come Sunday. And remember, too, that Dr. Dyanbe, the man from France, will speak twice during the day. And the music will be at its best. Come.

## ENGLISH RETAKE VILLAGE

Won By German Attack — General Haig's Forces Again Establish Themselves in the Town of St. Julien—No Let Up in Seen in Russian Retreat.

London, August 3.—Northeast of Ypres, in Flanders, Field Marshal Haig's troops again have established themselves in the town of Saint Julien, from which they were driven early this week, says the official statement tonight from British headquarters in France.

Near Monday Le Preux, southeast of Arras, the Germans, Thursday night, entered British front-line trenches at two points. Desperate fighting ensued and the British during Friday retook most of the elements. Except for the repulse of a German attack a 1,500 yard front near Cerny on the Aisne front, there have been only raids and artillery duels on the rest of the western front. The line of the river Zbrocz at its confluence with the Dneister, has been given up at several places by the Russians, who, however, fought stubbornly to hold back the Austro-Germans. Between the Dneister and the Pruth, the Russians have not altered in their retreat toward the border.

Bukovina is almost entirely in the hands of the Teutons again. Czernowitz, the capital, has been occupied by the Germans and Kimpolung, an important town several miles south of the Rumania border, has been evacuated by the Russians. The German advance in Galicia and Bukovina seemingly is aimed at Kamenetz Podolsky, a fortified city north of the Dneister and in the direction of Odessa, Russia's great port on the Black Sea.

The Union meeting Sunday night will be at Methodist Episcopal Church South. Rev. Locke White will preach.
